

Dear Mr. Chao, 05/25/2011

I can't thank you enough for your hard work this year. You have definitely helped me realize that math really isn't that bad. I can confidently say that after taking this course, I actually enjoy math! You have helped me improve greatly, and I only have you to thank. Your passion for math has also encouraged me to work hard, and it has definitely benefited me!

Thank you for being a wonderful and a thoughtful teacher.

Best wishes,
